

SURFCANE 20

Double-sided 19 mm PVC canisse

In line with our commitment to caring for the planet and reducing our carbon footprint, we are introducing a new product developed by our R&D team. It is a major step forward in sustainability, as it has a unique composition that reduces plastic use by 10% without sacrificing any of its usual characteristics. A more sustainable product without compromising quality, appearance or strength.

Benefits

Product developed by the Catral Group's R&D department, with a unique composition. This allows for a 10% reduction in plastic consumption while maintaining the product's characteristics. It incorporates at least 30% recycled materials. The weaving thread is made of HDPE.

Result: A product with high recyclability and reduced plastic consumption.
