Statue of a monk in meditation, wearing a hat

A 100% artificial stone statue.

## Benefits

For both indoor and outdoor decoration, the Buddha remains a timeless choice! Here is a very attractive model of a Buddhist monk, easy to place, and sure to impress with its originality.

The statue consists of two parts, with a removable hat that rests on the top of the head. The details are meticulous and precise. Made of artificial stone, it is high-quality, durable, and robust. It resists both frost and UV rays.

Wherever it is placed—on the terrace, balcony, or even indoors—it will add a touch of zen and relaxation.
