# SPLIT BAMBOO

Coloured bamboo cane

Split bamboo: perfect stakes to support the growth of your garden plants and maintain their verticality. You will need to accompany these stakes with clips or ties for them to be effective.

## Benefits

For staking small plants. The stake serves as a guide to the plant in its vertical growth for proper distribution.

## Characteristics

Green color. Available in two sizes: 40 and 60 cm.

Ref.	Size.	Color
140815	0,40 m	●
140816	0,60 m	●
